## No.1 DRESSED TO KILT

New York's Dressed To Kilt, now in its fifth year, was held in the cool Capitale Club as part of Tartan Week. Marking Scottish history and culture, an array of Scottish celebrities and global stars sashayed down the catwalk in a variety of tartan. RAF fighter pilot Colin McGregor, brother of actor

Ewan McGregor, received a standing ovation while songstress Sandi Thom took to the runway in Vivienne Westwood and a tartan guitar. The event celebrated the collaboration of classic Scottish fashion with modern design and raised money for the Friends of Scotland Charity.
